COMMUNITY SOLAR
CLEAN, GREEN, AFFORDABLE
ENERGY FOR *ALL*

VENTNOR GREEN TEAM

Guaranteed Discounts

15-25% off your electricity costs, guaranteed

Access for All

Renters or homeowners can access solar without installing panels

45,500+

Prevent 45,000+ metric tons of carbon emissions a year

Go green for guaranteed savings!

Community solar is a new, state-approved program that allows [electric utility] customers to enroll in the benefits of clean, solar energy *without installing panels*. Community solar delivers energy from solar panels located on nearby commercial properties to the local power grid. You enroll online and save money every month while lowering your carbon footprint!
