Baseball/Softball

Signups have started this month and a mid-April start date has been determined. We are working with Margate to try and play some inter-league games in boys and girls Little League play. This is in part of Bart working with Margate to start this. This is a long time coming and should make for more fun and competition for both leagues. Thanks Bart.

Also, we may be joining with Margate to form some summer league baseball in American Legion. There would be a 13 & 14 year old team and a 15 & 16 year old team. More to come on this !

Classes Started

All classes at the school for adults have started. A new class with Dottie Egrie has taken off. The class consists of working with aerobic balls and stretch bands. Computers and Tai Chi also are popular.

21st Century Grant Program

We are still in the process of filling the position for the Program Secretary. Once this is complete we will be meeting with the school staff to update them on the progress.

Facilities Upgrades

We will be painting the office once the paint comes in for spring and maybe ask for new carpeting to refresh the office.

Requests for spring projects ?
