The cub scouts will provide all tables for displays---- they do not need anything as of now— Recreation board stated that if they need something to contact Public Works Director (for possibly extra trash cans) or Director Thomas. Mr. Hills again stated that they do not need anything except the space for their event.

All in favor

Point of Concern from the recreation board is the Tour De Ventnor event that was brought in front of the recreation board last month. Director Thomas stated that he has been in contact with the police chief about the route and that they will contact the people involved discussing all routes.

Chairman Beck brought up the subject of "Ski Beach" possibly cleaning up the area adding picnic tables and some kind of grasses to spruce up the area. This would be a great community service project for the cub scouts or the score kids

Director's report:
