

Winchester Avenue Water Main Replacement

CONSTRUCTION FACT SHEET

ABOUT THE PROJECT

The City of Ventnor is replacing the water main along Dudley Avenue, Winchester Avenue, and Surry Avenue (*see map below*).

Upgrades include the replacement and installation of:

- Water main
- Water service laterals (street side of meter)
- Fire hydrants
- Gate valves
- Deteriorated water meter pits (as needed)

Concrete curb, gutter, sidewalk, and driveway aprons will be replaced, along with traffic lane striping and other items disturbed during construction.

PROJECT LIMITS

(*see map*)

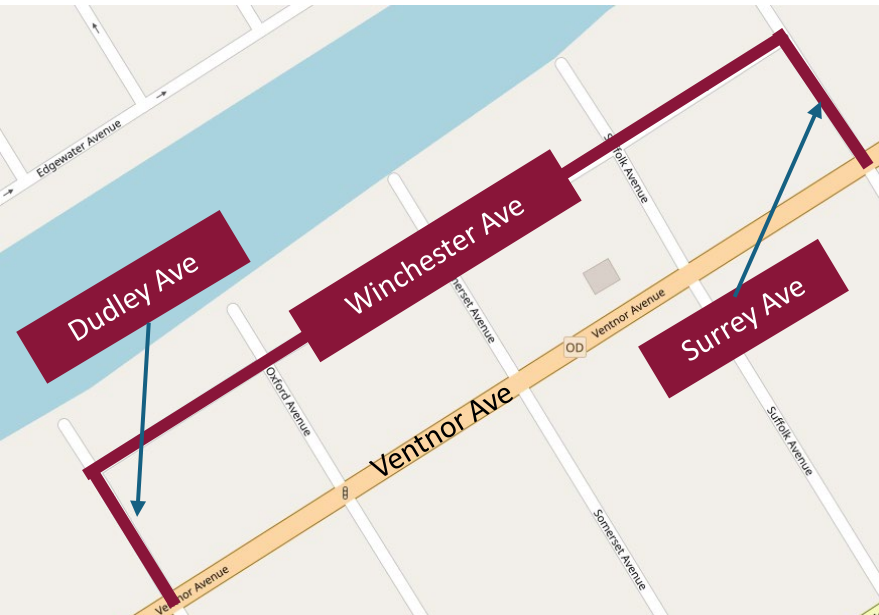

- **Winchester Ave**
from Dudley Ave to Surrey Ave
- **Dudley Ave**
from Ventnor Ave to Winchester Ave
- **Surrey Ave**
from Ventnor Ave to Winchester Ave

WHAT TO KNOW

- Construction will be completed in two-block sections.
- Parking and traffic will be restricted or prohibited within the construction limits.
- Construction will start on Dudley Ave and continue north.

PROJECT SCHEDULE

- Construction is anticipated to begin on **October 5, 2026**.
- Construction is expected to be completed by December 31, 2026.
